Dan Croteau proposed a Fall 2023 season start date of September 11th. No one had any objections. Season will start September 11th 2023 and the final week of the regular season will be December 18th 2023. We will skip the following week (Christmas day) and resume with the first round of playoffs on January 1st 2024.

There will be another meeting on September 4th at 7:00pm at the Pub for team packet and tablet distribution.

Vicki Maslausky may be stepping down as captain of the Misfits team. She will notify us within one week of who the new captain is if one can be found.

Greg Tabak and Tom LeMasurier requested a name change for the BBC team to North Country Bowling Center. This change was granted.

A question was brought up about keeping paper copies. Triplicates will still be filled out like we have always done. Notables will still be written down on the triplicate to have a check and balance system in place. Triplicates will still have to be filled out blind the same as last season with the visiting team filling out the sheet first. Match triplicates should be filled out BEFORE 7:45pm.

A player had brought up concerns regarding board quality and lighting quality at all venues. The boards at the Pub are Blade 6 Dual core boards which are consistent with industry standards currently. As the boards are worn, we will have the venues replace them. As for the lighting concerns, we will look into this further and make changes as we are able.
