New Items

- Ron Fredette was added to the Northland Interiors roster.
- Misfits turned in \$120 for Greg Allen, Mike Lamontange, and Bryce Gauthier
- Round of 9 turned in \$80 for two players' dues (did not get names)
- The red line on the floor at the VFW is the correct line to place the carpet on in the back room at the VFW. This line has been measured and verified correct by Dan Croteau. The black line was incorrectly measured by a member of the VFW.
- NC Bowling and Brilliant Budz turned in meeting fines for the January meeting.
- Lockness Painters turned in \$40 for Donovan Wheeler.
- The receipt for the tablet holders (3 holders at \$20.88 each) was turned in to the league.
- Sharp Shooters turned in \$40 for Jay Lacasse.
- Berlin Spring turned in \$280 in dues (6 players plus sponsor fee). They have 8 players listed on their roster. Zuri will get in touch with them and settle this.
- When shooting for bull to determine who goes first in team games, the players marked first for each team on the Match Report Sheet have to be the ones who throw for Bull. Please be aware that DartConnect lists players alphabetically so this may not be the correct order.
- Sudden Death. Teams and players have been bypassing Sudden Death. One team decided that it was "early enough" so they decided to just keep playing and ignored Sudden Death. Sudden Death kicked on at 24 rounds and the leg

went to 35 rounds. There were still 3 other singles matches to be played after this one finished up.

- 9 examples of when Sudden Death was bypassed were brought up on January 22nd and January 29th.
 - One of the times, the teams notified Lucien that they accidentally hit “Continue” and asked what to do. Lucien made the call to have them finish the set. The leg only went another 3 rounds.
 - From this point forward, if a team accidentally hits Continue, they are to stop and shoot for bull to determine the winner. Teams are to then exit the leg in DartConnect, Mark the winner on the Match Report Sheet and notify Dan and/or Lucien so Lucien can award the point properly.
 - Suzie at the Legion told us that the matches in the American Division are still taking a long time due to players not being present for their games due to “smoke breaks” in their personal vehicles. This is resulting in other players not being able to find them to let them know they are due to play. Due to this, Suzie is asking for players to smoke in the designated areas (outside the back of the Legion for example) rather than in their personal vehicles.
- **Next Meeting will be March 5th at Fagins Pub 7:00pm**
