- Carl Huot issued warning under bylaws section 11
- If we move any tables, chairs, or other furniture at a venue we need to make sure to put it back when finished playing.
- Issues brought up in American Division. Rushing people, telling players & teams that they need to finish by certain time, yelling & screaming at players, cursing at players. Keep your hands to yourself. This includes but is not limited to other people's bodies and personal belongings!
- As a league, we all need to be respectful of other players, bar staff, other bar patrons, and the bars in general. See Bylaws Section 11: Personal Conduct.
- Donovan Wheeler is banned from playing at the Pub starting March 1st 2022

This party will be at the VFW. There will also be one 50/50 Blackout game which will be an additional (optional) fee.
- Match Report sheets. If a player is unable to play in a game for any reason, a single line is to be placed through the player's name indicating they did not play. If a second player is listed in parenthesis, the player who did not play needs to have their name crossed out, whether it is the original player or the one in parenthesis ex: 5. ~~Lucien LeVeille~~ (Shauna Croteau)

- Dan Croteau is organizing a cornhole tournament to benefit the NCDL. The tournament will be held at the Annex Field (right off Madison Avenue). Rudy's Market has donated 200 Hamburgers, 200 Hotdogs, and buns to the event! This tournament will be either the end of May or Early June. If anyone can bring some Corn Hole boards, please contact Dan Croteau or your team captain.

Old Topics for Discussion

- Dart connect was mentioned as a possible way to keep score. This will be a costly service that will make keeping score and records much easier. It will require the purchase of at least one tablet per team and is recommended to have a few extras on hand. Kenny Nett has said he can acquire tablets for around \$40 each. Dart Connect's subscription is currently \$20 per team per season. For 10 teams, this would amount to \$200 per season or \$400 per year plus the cost of the tablets. Players would be required to sign up for a free Dart Connect account if they do not currently have an account. Approximate total upfront cost to league is around \$800 based on 10 tablets and 10 teams. Will table again for now.

Tabled for next meeting

- Ton club for female players. Top 3 women from each division will receive a cash payout. Proposed to be 1st place: \$30. 2nd place: \$20. 3rd place: \$10. Money will come from increased dues.
- Will Dues be \$20 per season, payable by week 3 of each season, or \$40 at beginning of Fall Season and cover both seasons.
