New Items

1. Carl Huot brought up a player suggestion: Draft League. Captains selected then each captain selects a player to play for them. Captains continue to make single selections until player pool runs out.
 - A. Motion made, unanimous vote against, motion denied.
2. Lucien LeVeille brought up a player suggestion: Make change to forfeit rule. 15 points being awarded to winning team unfair.
 - a. Alternative means looked into and brought to the table including awarding only 8 points to winning team, allow teams to play singles matches with players from forfeiting team in attendance, increase time to make up games.
 - i. Motion made by Dennis Tabak, Motion denied. Forfeit rule remains as is.
3. Lucien LeVeille brought up Personal Singles records. Criteria discussed to qualify for “top position” and change to format proposed.
 - a. Based on a 15 week season, if player plays every week, they can attain a minimum 30 games. Dan Croteau mentioned using a 75% (23 Games) allows for a player to miss 3 weeks or more and still be eligible for top record.
 - i. Motion made by Kevin Allain to use 75% (23 Games minimum required), Motion Passed
 - b. Discussion to use 1 point for a win and 0 points for a loss in personal singles record instead of 1 point for each leg won. 1 point awarded for each leg won gives a more accurate picture of how a player did. Player who wins all matches 2-0 would appear to have same record as a player who won all matches 2-1.
 - i. Motion made, Voted 5-4 to keep to a 1 point per leg system.
4. Kenny Nett brought up discussion regarding “Diddle for Bull”. When throwing for bull to determine who starts a game and the throw is too close to call, darts are pulled and rethrown. **Players must wait until the scorekeeper announces the winner (or too close to call) before touching the darts in the board.**

5. Zuri Chambers brought up discussion regarding match sheets. Match sheets are folded and filled out blind. Once a match sheet is opened, the match has started and NO CHANGES CAN BE MADE to the match sheet. If an obvious mistake is made (such as putting one player in two games of the same type and accidentally leaving a player out) this can be brought up to the captain and a change is allowed. Opposing captain must be notified before change. If opposing captain has issue with the change, the match can be played “under protest”. The match continues and play begins. Captain who requests protest notifies Dan and a decision will be made on whether the change is allowed.
6. Discussion was brought up regarding captains leaving before the end of a match. Captains are not required to stay however it is in the team’s best interest to have a captain or co-captain in attendance until the end of the match. 2 or more players is strongly encouraged.
7. Scratch Ticket Fundraiser funds update. After purchasing gifts for the team MVP’s (These will be announced at the banquet June 11th 2022) there is approximately \$210 remaining that will be going towards updating the National and American Division trophies.
8. Trophies were last updated in 2017 and will be brought to current. Kenny Nett has trophies and will get them to the engraver.
